## ALBERTVALE JARS THE TALENT.

The racing at Harlem yesterday was ordinary and over a track that was fetlock deep in sticky mud. A big crowd was cut. The air was far better than the going.

One of the biggest surprises of the local season was furnished by Albertvale in the third race at three-quarters of a mile. He was in with such speedy horses as Montgomery, Meddler, Lucky Star and Pauline J., and seemed to be outclassed. But he fancied sticky going and the ring went to insolence when it laid 100 to 1 against him. Montgomery was the natural favorite and heavily played at about even money. Meddler had second call at 3 to 1, acted badly at the post and caused a delay of about twenty minutes. Meddler was away flying and he, Montgomery and Pauline J. went down the back stretch at a terrific pace. The trio raced in a close bunch to the stretch, where all had enough of it. For a few strides Lucky Star seemed to be winning, but about the eighth pole Albertvale began to move up to his horses and, going at an easy gait, he ran over them as though they were fixtures and won off by himself.

That "Bob" Tucker has a good useful colt in Deering was demonstrated in the fourth race, a dash of a mile. Deering won his last race on a hard track easily. Knowledgeability declared that he could not run in the mud and beat such a good horse as Hobart. Consequently the ring made Hobart an odds-on choice and offered 2 to 1 against Deering. The latter ran like a mudlark of high degree. He went to the front on the first turn and led all the way, winning well in hand by an open length.

The timers bobbled over the speed. They hung out 1:48½ instead of 1:53½. RACING FORM's representative called their attention to the error and it was rectified, but not until after the official time had been sent out as 1:48½.

Before the last race James Dunne, a newcomer to the turf, made some idle talk about Rome Respass running his horse Maceo in selling races too cheaply. Maceo was entered for \$800, and Respass, in a joking way, said to Dunne: "You can have him for the entered price and the purse." Dunne thought he was getting a bargain and jumped at it, paying Respass \$1,200 for the Sir Dixon-Vassar colt. Respass reserved the right to run the horse in the last race for himself. He then bet \$1,000 of the purchase price on him at even money. Respass made a good sale all about. He lost the horse, but virtually got \$2,500—a royal price for him. Maceo is not sound, and Respass seemed well pleased over his sale.

Prestome was the natural favorite for the opening race and, cleverly handled by Rutter, he won a nice race from Phallas and Azua.

Branch, at the liberal price of 16 to 5, got off in front for the mile and seventy yards race and won all the way. He is almost a stake horse in heavy going.

Brigadier General McGuigan brought his entire family and the neighborhood out to see his colt Dick Furber win the fifth race. The visiting bunch had a co-operative bet down on Furber, and when the colt's white face showed in front in the stretch it made enough noise to jar the top of the new stand. The colt—which is at his best just now—won off by himself.

## GOSSIP OF THE TURF.

San Francisco's new racing organization, to take the place of the Pacific Coast Jockey Club, is to be known as the Western Turf Association. General Manager F. H. Green sends the following information in regard to the track and plans of the association:

"We shall have completed and ready for rac-

ing a new one-mile track on property lately acquired by us from the South San Francisco Land and Improvement Company in San Mateo County on or about November 1 of this year. It is our intention to give race meetings as have been given yearly heretofore by the Pacific Coast Jockey Club, whose track is now closed.

"We will be ready to open our gates to the public on Monday, November 6, 1899, and shall begin racing on that day. As complete a racing plant as there is in this country is contemplated by the Western Turf Association. A more admirable location for a track could not be selected. It is only thirty minutes run by the many local trains of the Southern Pacific Company from Fourth and Townsend streets to the entrance of the grounds, and special race trains will make the run in twenty minutes. The climate is mild, and this locality free from fogs. Every convenience and comfort for racegoers is to be provided for, and the most liberal terms and purses will be extended to horse owners. Stable accommodations will be large and of the very best. A list of stakes will soon be prepared."

The Stewards of the Jockey Club met in New York Tuesday, and dispatched the following business:

The Stewards of the Jockey Club, after careful review of the report and the evidence submitted in the Maher-Banastar case, approved the action taken by the Stewards of the Coney Island meeting.

The action of the secretary in accepting the registration of the bay colt Volner was approved. The reinstatement of the bay gelding Nestor was confirmed. The application of W. C. Daly for reconsideration of the decision under which the entry of the horse Klepper is refused at all courses racing under the jurisdiction of the Jockey Club, was denied. The application of Charles A. Reynolds for reinstatement was granted. The horse King Bon was declared eligible to race in steeplechase and hurdle races, subject to such permission being granted by the National Steeplechase and Hunt Association.

The application of George W. Hayman for reinstatement was denied. The application for the reinstatement of the horses Gould, Governor Griggs, Monroe Doctrine, Humorist, Junck McFonso and Zamacaran for jumping purposes were referred to the National Steeplechase and Hunt Association for investigation.

A New York turf scribe has conceived a rightly bestowed admiration for Captain Rees as a racing official, and says of him:

"Horsemen who have been in the west will tell you that Captain Rees is the ideal censor of racing. He was at New Orleans for a time last winter, and I was able to watch his methods, and the result but confirmed the general verdict; he is the most capable official that ever assumed charge of a race meeting. His system was a revelation to the easterners. His attention to details worked wonders. The racing during his time in the stand was the cleanest in the history of the New Orleans track. Not alone at the track was confidence won, but from all parts of the country came congratulations. A Captain Rees is needed just now on the Metropolitan circuit, and the relief cannot come too soon. If turf powers really desire to avoid scandal, the best way to do it is to end the happening which brings it."

Mesmerist is the first of the eastern 2-year-olds that has proved himself able to take up penalties and win; having done so in the second half of the Double Event. He is a full brother to Barney Schreiber's fast filly Jinks, and apparently as good as any of the two-year-olds that have as yet performed in public, if not better.

Time, 13, 26, 39, 53, 1:09½.

Winner—B. c. by Preston-panes—Besswing. Post 6 minutes. Start fair. Won easily; second hand ridden; third and fourth were driving also. Prestome, as the race was run, was the best. He got away well on his stride, always had clear sailing, and seemed to like the sticky going. Phallas had bad racing luck. He was sharply interfered with on the far turn and was forced into the worst going in the stretch. He finished gamely. Azua had no excuses. He simply went to pieces when the real racing began. Eschscholtzia took the shortest route and naturally saved ground throughout. Creation, heavily played, ran a poor race. Major Mansir was green at the post and refused to break with the other horses.

Scratched—13006 Lovable, 115; 12878 Etta, 115.

Prestome, place, evens; show, 1 to 2. Phallas, place, 9 to 5; show, 9 to 10. Azua, show, 4 to 5.

Time, 13, 26, 39, 53, 1:06, 1:22, 1:37½, 1:53½.

Winner—Br. g. by King Galop—Brooklet. Post 6 minutes. Start fair. Won under a stout pull; second and third cleverly. Branch revealed in the going and was never extended. He handled his weight and won like a good horse. Boanerges was unfortunate in the early stages of the race. G. W. Poole was at the post and had hold of the horse's head when the barrier went up. He was on the inside and this naturally put him in a bad position on the first turn. Beauchamp could not get through and had to go around his field. The boy used Boanerges entirely too much down the backstretch, consequently he had nothing left to finish with. El Paso II. seemed to labor in the going. He got third place because he was much stronger than Leoncie. The latter was tired enough to lie down at the finish. Fred Barr could not untrack himself. Jersey Lad showed speed for half a mile.

Scratched—13154 Winslow, 98.

Branch, place, evens; show, 1 to 3. Boanerges, place, 1 to 2; show, out. Del Paso II., show, 7 to 10.

## 13163 THIRD RACE—3-4 Mile. Purse \$400. \$75 to second; \$25 to third. 3-year-olds and upward. Allowances.

Time, 12½, 25½, 38, 53, 1:07½, 1:23.

Winner—B. h. by Albert—Montvale. Post 18 minutes. Start good. Won easily at the end after an early drive for position. Albertvale plodded along all the way and at the eighth pole got his horses as though they were tied. The long delay at the post and the early pace ruined Montgomery's chances. He was prominent in all breakaways. He went all to pieces after racing half a mile. Lucky Star finished stoutly and at one stage in the stretch seemed to be winning. Meddler was the cause of the delay. He was given numerous chances, but would not break. Pauline J. did well as far as she went. She is a fair filly.

Scratched—(13150) Hanan, 100.

Corrected weights—Montgomery, 111.

Albertvale, place, 15 to 1; show, 3 to 1. Lucky Star, place, 6 to 5; show, 1 to 2. Meddler, show, 1 to 3. Montgomery, place, out.

## 13164 FOURTH RACE—1 Mile. Purse \$400. \$75 to second; \$25 to third. 3-year-olds. Allowances.

Time, 14, 27½, 41½, 54½, 1:08, 1:23, 1:38, 1:53½.

Winner—Ch. c. by Sir Dixon—Vassar. Post 2 minutes. Start good. Won handily; second ridden out. Third and fourth driving hard. Deering ran a fine race. The going seemed to be made to his order. He seems to be a good horse that runs inconsistently. Hobart did not have his usual flash of speed. He has a bad leg and it looked worse than ever today. A mile is too far for him at his best. Lime Water ran a good race and finished gamely. The first two far outclassed the others.

Scratched—13065 Heroics, 96; 12809 Mayme M. M., 94.

Overweights—Defender II., 2 pounds.

Deering, place, 2 to 5; show, out. Hobart, place, out. Lime Water, show, evens.

Winner—Br. c. by Fordham—Duchess Caroline.

Post 8 minutes. Start good. Won handily; second hand ridden but out to the last ounce.

Third and fourth were driving to the limit. Dick Furber seems to have regained his early spring

form. He was at his best and went to the front on call like a gentleman. Inlook is a speedy

and consistent youngster. Mark this about him. He cannot handle weight. Microscope on the

extreme inside finished very strong. It was very close between him and Zeriba for third place.

They were so wide apart on the track that it was hard to judge between them. Zeriba ran out at

the head of the stretch. Chief Farrell was played well, but ran a poor race.

Dick Furber, place, evens; show, 1 to 2. Inlook, place, evens; show, 1 to 2. Microscope,

show, 6 to 1.

Dinornis snatched second place from Hackmeister in the last stride. Fine Shot tired in the heavy going next to the rail. Sylvian got off badly.  
Scratched—13070 Go There, 118; 13110 Glisendo, 118; 13110 Schnell-laufer, 118; 13066 Ben Debar, 118; (12756) Dextra 115.
